Vircengatoris announces, "AC has their lasercannons in defense and ready to roll if necessary."

Vircengetoris snaps, "Are you Nuts?? No, absolutely no, external action."

Geniatric Pfhill reacts "Wie are owdere of the danger uncertainty level of leveling lasercannons at their faces, bah, IF they keep attacking vs, it's strange how they keep falling at the walls, then we will get sorely pissed."

Vircingetoris ponders, 'Why are The attacking us? They can't break through our modulating algorithmical random magneticfieldbarriers."

Geniatric Hakim: "I agree.'

Genitric So dam Insan ask, 'So do you think we could get some action on them.' The Them is emphasyed.

Vircengetoris is tame, "Now That'll be another session for you."
